A MOST SUCCESSFUL EVENT AT A RENOWNED VENUE

India's most Progressive, Dynamic and Trend-setting Exhibition for Metal Cutting, Metal Forming, Automation, Forging & Foundry Industry.

RMTS 2018 – A NEW MILESTONE OF SUCCESS

The 7th Edition of Rajkot Machine Tools Show - 2018 was scheduled and executed beyond expectations. The exhibition was in action from 28th Nov to 1st December 2018 at NSIC Ground, Aji Industrial Area, Rajkot, Gujarat, India. The RMTS 2018 was a one-stop destination to address the manufacturing and machine tools requirements of various industry sectors in Gujarat. Rajkot Machine Tools Show-2018 covered the entire gamut of machine tools, ancillary industries and other technologies essential for tomorrow's manufacturing. RMTS 2018 proved to be even bigger and better edition as compared to all its previous editions. RMTS 2018 was a Super-hit in terms of its interactive networking experience that it offered to all its visitors and participants alike, with its infrastructure and state-of-the-art amenities of its venue.

Breaking all the traditional expectations by becoming India's leading exhibition for the engineering sector, RMTS 2018 had players from all related fields of engineering and machine tools registering for humongous sales and interactive and fruitful deals. Products, processes, technology, emerging innovations, active participation of automobile companies, knowledge exchange with world-leaders, investment opportunities, business tie-ups and much more were the highlights of this grand event.

In today's day and age, when businesses are going global, it is not merely enough to be a thriving and fruitful business alone. This restricts future opportunities to expand, explore and amplify. In the concurrent scenario of industrial and international competitiveness it becomes more of a pre requisite to showcase oneself on a platform/rostrum for the world to see and to position one self distinctively in the market. KMG provides businesses with such beneficial routes that ensure record breaking increments, business profits and volumes for unprecedented growth and opportunity.

The journey that began in the year 1997 today can proudly proclaim to be one of the few industrial exhibition organizing companies who have a sound track record of organizing world class trade fairs & expos. In future, KMG shall always thrive to help its valuable clients generate direct sales and enhance their businesses brand image simultaneously by building networks and relationships.

Through its worldwide networking, pre-emptive planning and execution, intelligent space management and meticulous control of macro and micro level logistics, the group ensures that every participant gains from its trade shows & exhibitions. With the extraordinary care that goes into every aspect of its event and the gains that participating companies have garnered in real terms, have made KMG a permanent name in corporate calendars of hundreds of companies across India and abroad.
